Dear Brothers in Christ,

I have received with concern and anxiety your letter concerning Dr. George Habib-Bebawi with surprise only that you have not written directly to me personally. The invitation to Dr. Bebawi comes from our Awards Committee, whose Chairman is at present away, as I have myself been away until recently. All that I can say at the moment is that the invitation to Dr. Bebawi is an invitation to him personally as an individual and not as a representative of any church and that it is very clearly for one year only.

Best wishes,

JOHN FERGUSON
President
